Guests' Attendance: Carol Brock, President Timber River Connections.

Minutes prepared by: Lisa Bachmann, Government Affairs Program Liaison

Meeting Minutes				
Land Acknowledgement – read by: Cat McGaffigan, Chair				
	Motion			
	Approved			
	Second			
Approval of draft agenda and previous month draft minutes				
The minutes were approved with the following correction made by	Motion	Tim		
Tim Wood: Maja Handlen's first name should be spelled as follows:	Approved	Yes		
Meja.	Second	Nikki		
Topic: Nominating Committee, Cat McGaffigan, Chair				
Cat shared that we need at least two members to serve on this	Motion			
committee, preferably one from each county. Tim Wood	Approved			
volunteered to be on the committee for Lewis County.	Second			
Glenn Harper is willing to be considered for either the Chair or Vice-				
Chair positions. Tim Wood is also interested on being considered				
for Vice-Chair.				
It was clarified that a member may only serve as Chair or Vice-Chair				
for two consecutive one-year terms and then must take one year off				
before being considered again, per the bylaws.				

Bylaws, Cat McGaffigan, Chair	
Cat McGaffigan shared that the Bylaw Committee met and the main	Motion
focus at this time is to make our current bylaws compliant based on	Approved
the new Older Americans Act regulations. There will also be a few	Second
minor changes suggested to help align with the committee's	0000114
current practices, such as changing Secretary to Agency Liaison.	
Lisa is creating a draft for final review of the bylaw committee later	
this month, with the goal for the first reading to be during the	
November meeting; the second reading and potential vote to	
approve to be during the December meeting; and then the Council	
of Governments (COG) to vote on the changes during the January	
2026 meeting.	
Topic: Executive Director Report, Nicole Kiddoo	
Nicole Kiddoo expressed that we are in a government shutdown.	Motion
She, along with Carrie Petit and Lisa Bachmann have been working	Approved
on agency communications. Not much to report yet on direct	Second
impacts. Most of or Older American Act (OAA) funds are secure	
until 2026, unless we hear otherwise. Until there is a Continuing	
Resolution (CR) there could be some stipulations on the funding, or	
we could see a long drawn out shut down. Medicaid and the	
Supplemental Nutrition Assistance Program (SNAP) could also be	
impacted by the One Big Beautiful Bill Act (HR1). We have put effort	
into our contingency planning for the agency and been working with	
our County Commissioners to increase our resources so we can	
function for a while with no large affects. We are depending on our	
vetted resources as we look for information, not the general media.	
There has been no real movement on the reauthorization of the	
OAA. We are waiting until we get the go-ahead from USaging and	
others to move forward on advocating for that, but there are some	
positive discussions going on. Olivia Ulmoren will speak at the W4A	
Conference and will provide any updates at that time. There may be	
some visits prior to the state legislative session. Senators Braun	
and Bateman are our priority Senators this year. Nicole added that	
we have brought the immigration issue forward.	
Funds for the Dementia Catalyst Program were reduced, which is	
causing them to struggle. This program will be one of our priorities	
for 2026. Health Homes also will be a priority. Washington state is	
a little different than other states with less institutionalization. This	
is because we believe it is very important that people have choices.	
AAAs are not in managed care, because of programs like Health	
Homes. The importance of programs like Health Homes was	
discussed. Doctors tend to release patients to their homes without	
having proper support in place. It was shared that some facilities,	
like Garden Court, take part in programs that provide respite care.	
This provides an opportunity for family caregivers to have a break	
and helps with familiarization in case more care is needed in the	
future. Care can be set up full-time for a short duration of time or	
sometimes just a few hours each week, depending on programs.	

Topic: USAging 2025 Policy Priorities Presentation, Lisa Bachmann, Govt. Affairs Program Liaison				
Lisa shared a power point with the group that covered the four	Motion			
USAging Policy Priorities for 2025. There was discussion by the	Approved			
group after the presentation, including challenges those in the	Second			
LGBTQ+ community often times face because they may not have				
children that can step in as family caregivers; the value of				
immigrants as caregivers; and the importance of advocating for our				
Health Homes program.				
Community Updates:				
Glenn Harper shared there will be a Death Café Oct 6 at 4:00 at the	Motion			
Tumwater library. The October Twosdays @ Tumwater Falls will host	Approved			
Don Troper, who will give a history talk about the Oregon trail that	Second			
goes through that area. The Arts walk will be this weekend, including				
death art and activities surrounding end of life.				
Carol Brock shared that the Timber River Connection is one step				
away from having bingo for money, RFPs were secured for				
congregate meals and home bound meals for Lewis County. Heidi				
Buswell is their new Statewide Health Insurance Benefits Advisor				
(SHIBA).				
Heidi Buswell shared that October 23 in Toledo, there will be a Clam				
chowder feed from 4:00-6:30 pm to raise money for operation costs				
for the Toledo library.				
Cat McGaffigan shared that the Walk to end Alzheimer's this				
weekend.				
weekend.

the resources you can access and items you can check out through libraries, like a discover pass, downloadable movies, hearing assistance and more that so many are not aware of. Glenn will look into having the speaker provide this presentation at one of the upcoming Advisory Council Meetings. There was discussion about funding from ToledoTel, computer that were donated to Timber River Connections when the libraries				
replaced theirs, and telecare funding.				
Also discussed was the need for information to be more available				
regarding the services available to our seniors, especially when				
there are so many that are free of charge.				
•				
Topic: Socialization & Engagement, Glenn Harper				
Glenn Harper shared there currently is not a representative for	Motion			
Lewis County on this committee and to let him know if you would	Approved			
like to join.	Second			
The Aging and End of Life Community Roundtable will be December				
14 and will provide an opportunity for participants to learn more				
about difficult topics people are faced with when entering their final				
years.				
Topic: Adjournment				
The meeting was adjourned at 11:41a.m.	Motion	Glenn Harper		
	Approved	Unanimous		
	Second	Tim Woods
